

Our Sixth Form Learner Agreement – September 2016

Name:

We will ensure:

- You have a safe and appropriate environment in which to work.
- You have high quality lessons taught by subject specialists.
- Your progress is monitored regularly and discussed with you.
- You have effective pastoral care in all matters.
- You have comprehensive advice and support in applications to Higher Education.
- Your parents will be informed of your progress.
- You receive wider educational experiences through visits and visitors in school.

You must agree to:

- Attend all lessons, enrichment sessions (including registration) and study periods. Punctuality is essential. If attendance falls below 90% your place within Trinity Sixth Form may be at risk.
- To support the Catholic ethos of our schools by supporting Acts of Worship and the prayer life of the school.
- Make every effort to achieve your target grades in every lesson. This includes class work, homework and independent study.
- Follow the dress code guidelines of the schools you attend.
- Act as an adult and as a role model to younger students. Significant misbehaviour, as detailed in individual school behaviour policies, could lead to exclusion.
- Follow safeguarding procedures – you will need to wear your ID badge at all times. If you forget your badge you will need to purchase a temporary pass from the main school office.
- Use technology responsibly.
- Ensure that academic work is your priority. It is recommended that if you have a paid job outside of school you should not work more than 8 hours per week.

As a home student of St Thomas More Catholic Academy

We expect students to conduct themselves as young adults contacting us and partner services (careers / employer links) directly should the need arise. This includes notification of any absence. To help us support students in making this transition to adulthood we ask that a mobile phone number and / or email address is provided. All communication from school is forwarded to both parents and students to support students in this transition towards independence.
