Dear Parents / Carers,

It has come to our attention that there is school transport funding available for eligible students and we wanted to make you aware of this. Funding for school transport is available through Stoke-on-Trent Council for low income families, where children are entitled to free school meals or the parents get maximum working tax credits. They will require proof of working tax credits. To be eligible, your child would attend a faith school, where the school is the nearest suitable faith school, and is more than two but less than fifteen miles from your home. Evidence of faith may be required.

Parents should obtain an application form from Stoke-on-Trent council and completed forms should be returned to their admissions department as soon as possible but no later than 31<sup>st</sup> July each academic year.

We would encourage any parent who thinks that might be eligible to contact the council to obtain the application form.

We hope you find this information useful and we look forward to meeting you again soon.

Yours sincerely

Mr M Rayner

Headteacher
