

Completing this work will help prepare you for the A-Level Design and Technology – Product Design

From the A-level specification;

"Students should be aware of, and be able to discuss, the work of influential designers and how their work represents the principles of different design movements, including:"

- Phillipe Starck
- James Dyson
- Margaret Calvert
- Dieter Rams
- Charles and Ray Eames
- Marianne Brandt.

TASK - Create a PowerPoint slideshow researching the 6 key designers named above.

For each designer;

- Create an inspiration board / mood board
- Sketch some of the ideas you find most interesting and then try to sketch a redesigned version
- Include important key facts about the designer. Do not just copy and paste information
- Set this out in a fun and creative way
