4th June 2020

Dear Parent / Carer,

Following the successful training sessions that have taken place during this week to support students continued online learning, we are now able to increase the online provision available from the week beginning 8th June.

Weekly work will continue to be set for all students including year 10 on the website and can be found here <https://www.stmca.org.uk/key-information/closure-guidance/>. **In addition to this live, interactive lessons will also take** place on Microsoft Teams for year 10 students following the e-learning timetable on the next page.

To attend an online lesson each student will be sent an invitation to join the session by the relevant member of staff. Attendance to these lessons will be monitored.

Please be aware that all sessions are recorded by the teacher and students are asked to adhere to the following basic rules:

- Microphones are muted all times unless asked by teacher.
- Cameras are turned off and remain off.
- Responsible language / behaviour used at all times.

Our students to date have shown a high degree of resilience and adaptability in response to remote learning. Government guidance stipulates that remote education will remain the predominant mode of education during this term for pupils in year 10 and year 12. Therefore, it is crucial that students familiarise themselves with the Microsoft Teams platform.

We look forward to welcoming your son/daughter into school again for some contact from 15th June. Details of this will follow in due course. This will be subject to the government determining that their five tests have been met and it is therefore safe to do so.

Should you have any questions at all please do not hesitate to contact via email or the main school office.

Mrs Elizabeth Todd

Assistant Headteacher
