Dear parent/carers,

Please be advised that the two Year 10 Parents Evenings will take place on Thursday 8th October and Thursday 15th October from 3.30pm-6.30pm. Parents Evenings are an essential part of our continued commitment to support all our students in achieving their full potential across all subject areas.

This will offer the opportunity for you to make an appointment in order to discuss the academic progress of your child in the year leading up to their GCSE exams. During the evening, you will receive detailed feedback from your child's form tutor regarding their attainment so far, as well as information about what your child will need to do in order to progress further in each subject.

Due to the current situation and pandemic these appointments will be through a video calling system app, which can be accessed through a phone, Windows or Safari. **We have included a guide on how to download this and how to access the appointment booking system.** You have the option of 8th October or 15th October, depending on whichever is the most convenient date for you.

If you have any questions please do not hesitate to contact your child's Head of Year, Miss Beasley.

Many thanks for your continued support.

Yours sincerely,

Mr M Rayner

Headteacher
