Wednesday 7<sup>th</sup> October

Dear Parents / Carers,

I have attached for you two posters which have been created by the local authority.

These posters explain when your child needs to self-isolate and when they need to get tested. There is also a guide on what to do if your child needs to self-isolate.

If you have any questions or you are unclear on what to do, please still call the school on 01782 882900. Please can we remind you that all absences should be called through to the school by 9am each day of their absence.

From Wednesday 7<sup>th</sup> October, we will be asking all visitors to school to wear a mask whilst on site. All visits need to be booked before attending site so we can manage the amount of people at school at any one time.

Thank you for your assistance.

Yours sincerely

Mr M Rayner
