November 2020

Dear parent / carer,

Please be advised that the two Year 7 parents' evenings will take place on Thursday 12th November and Wednesday 18th November from 3.30pm-6pm. Parents' evenings are an essential part of our continued commitment to support all our students in achieving their full potential across all subject areas.

This will offer the opportunity for you to make an appointment in order to discuss the academic progress of your child, focusing predominantly on core subjects. During the evening, you will receive detailed feedback from your child's form tutor regarding their attainment so far, as well as information about what your child will need to do in order to progress further.

Due to the current situation and pandemic these appointments will be through a video calling system app, which can be accessed through a phone, Windows or Safari. **We have included a guide on how to download this and how to access the appointment booking system.** You have the option of 12th November or 18th November, depending on which date is the most convenient for you.

If you have any questions please do not hesitate to contact your child's Head of Year, Miss Warren.

Many thanks for your continued support.

Yours sincerely,

Mr M Rayner

Headteacher
