Trinity Sixth Form Courses & Entry Requirements

Courses and Entry Requirements 2020—2021

The general entry requirement for Trinity Sixth Form is five or more 9 - 4 (or equivalent) including grade 4 in English & Maths. If students have achieved a grade 3 in English or Maths, they can re-sit this qualification alongside a more vocational Level 3 pathway.

AS/A-LEVEL COURSES

It is recommended that students have a grade 6 (B equivalent) at GCSE in their chosen subject/ closely related subject.

Places are available on A Level courses to these students in the first instance. Exceptions are:

Maths – Grade 6 at GCSE

Further Maths – Grade 7 at GCSE

BTEC COURSES

For our vocational curriculum, students need to have met our general entry requirement and have a passion for their chosen subject.

These are equally demanding courses that are assessed in a more modular way.
