Charging and Remissions Policy

Aim

The aim of this policy is to set out what charges will be levied for activities, external lettings and extended provision, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents. This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449-462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements. This policy complies with our funding agreement and articles of association.

The policy applies to All Saints Catholic Collegiate.

Any exceptions and variations for the individual academies are listed in separate appendices at the back of this policy.

Responsibilities

The Board of Directors of the All Saints Catholic Collegiate are responsible for determining the content of the policy and the principal for implementation. Any determinations with respect to individual parents will be considered by the Principal of the school who will inform the Chair of the Local Academy Committee.
