

Year 11 PHYSICS Revision Schedule Sept-Nov mock exams

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
<p>There's no any right way to revise, but organisation is key. Experiment and use a style which suits you and which works. Get yourself ready to prepare! Invest in stationary – coloured pens, highlighters, revision cards (you can make these from cutting up scrap paper if you need to), notebook, post its, whiteboard and pens, revision guide. Whatever suits you! Ask your teachers for advice if this is tricky for you. Your first challenge is to prepare for mocks...follow the schedule below to help you. After each day, highlight is a way of your choosing (colours, ticks/crosses, smiley face unhappy face) your strengths and weaknesses- this will prove to be really helpful to you closer to the mocks.</p>
